# 1.2 UI/UX Design

## Clinical Assessment for Preceptor

### Low Fidelity Prototypes

### Flowchart/User Flow

### High Fidelity Prototypes

### Role:

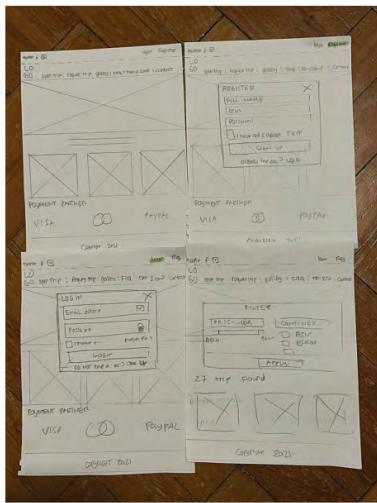

My primary responsibility was to build six interactive videos for the Blended Learning research program and ideate, flowchart, and prototype web layouts. The UI/UX was designed with a dashboard-like interface.

### Tools:

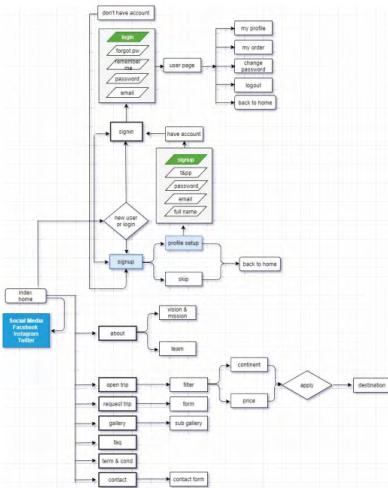

Photoshop, Illustrator. For interactive videos; Photoshop, Illustrator, Premiere, After Effect, and Camtasia.

# Travel Agency Website

## Low Fidelity Prototypes

## Flowchart/User Flow

## High Fidelity Prototypes

Role:

Logo Creation, Ideation, Flowchart, UI/UX design

About this project:

Departmen Travel was first launched in 2016, the website and business are taking a break for a while with a new brand, team, and website. Departmen Travel might sound like Department of Travel, but the DeparTEMEN TRAVEL itself has its meaning in Indonesian.

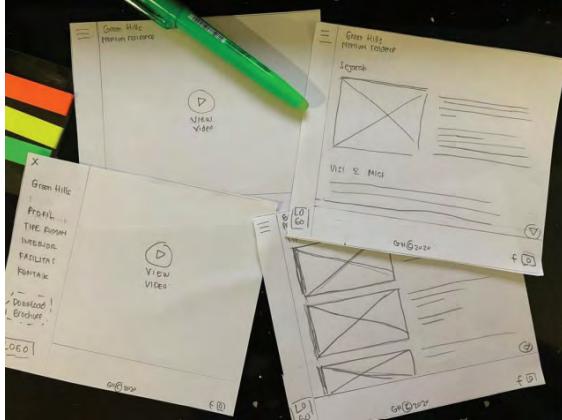

TEMEN means Friend or Buddy in informal Indonesian. So, Temen Travel means Travel Buddy.

Tools: Photoshop, Illustrator, Figma.

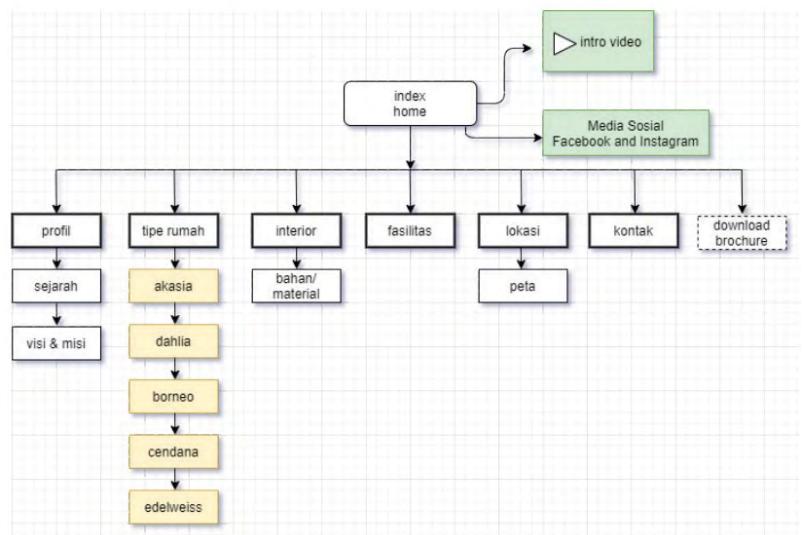

You can view the prototype [here](#).

## Low Fidelity Prototypes

## Flowchart/User Flow

## High Fidelity Prototypes

The high-fidelity prototype is a responsive website for "green hills premium residence". It features a header with the logo and navigation links for Profil, Tipe Rumah, Interior, Fasilitas, Lokasi, and Kontak. A prominent feature is a large image of a modern residential complex with a play button overlay. Below the image, there is a download brochure button and a footer with address information (Jl. JI bypass km 13 Padang Sumatra Barat Indonesia) and copyright notice (© 2020 Green Hills Premium Residence). Social media icons for Instagram and Facebook are also present.

Role:

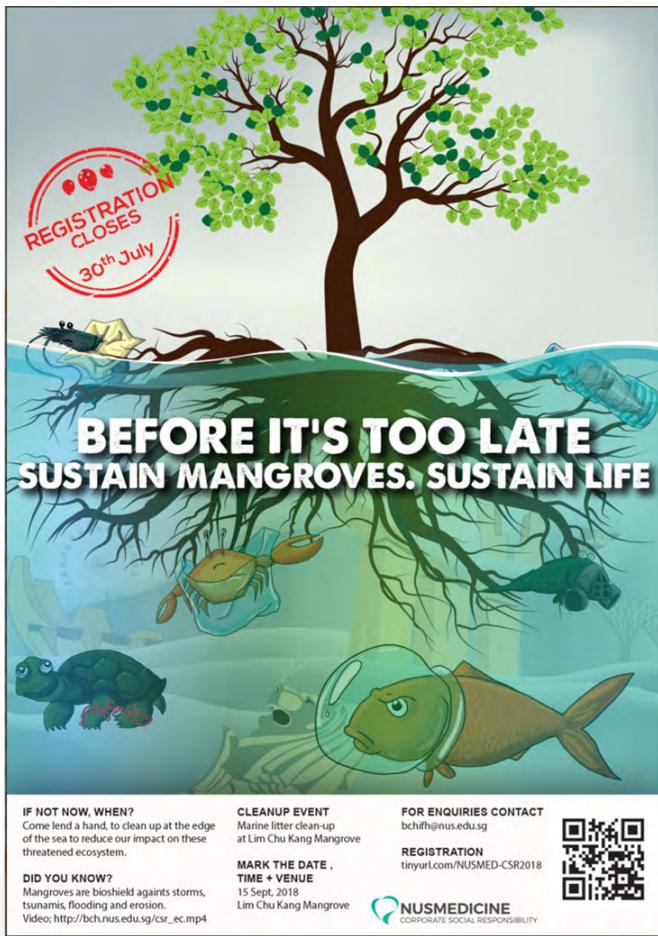

Ideation, Flowchart, UI/UX design, web development

Tools: Photoshop, Illustrator, Figma, HTML, CSS & JS
